#### **Problem – Solution Fit:**

The Problem-Solution Fit simply means that you have found a problem with your customer and that the solution you have realized for it actually solves the customer's problem. It helps entrepreneurs, marketers and corporate innovators identify behavioural patterns and recognize what would work and why

## **Purpose:**

☐ Understand the existing situation in order to improve it for your target group.	
building trust by solving frequent annoyances, or urgent or costly problems.	
☐ Increase touch-points with your company by finding the right problem-behaviour fit and
